## Para Los Niños Overview

Since 1980 Para Los Niños has worked to support children in their journey toward a more successful future. Para Los Niños provides comprehensive and integrated educational and family services that support the whole child from infancy through successive stages of school and life. Para Los Niños Gratts Primary Center (Hereafter, PLN GPC) provides transitional kindergarten, kindergarten and first grade and is an integral part of the educational services provided by Para Los Niños.

Families enrolled at PLN GPC have access to a wide range of services provided by Para Los Niños. We understand that in order for our students to be successful academically, their physical and emotional need must be supported both at school and at home. Para Los Niños offers qualifying children and their families support through the following programs:

### **Counseling Services:**

PLN offers counseling services for children ages 0-18 to enable the child to learn as effectively as possible in his/her educational program. Therapists provide community-based treatment services offered in the home or school based on parent's/guardian's preference. Clinical services can support children and their families when functioning is impaired in the home, at school, or in the community. If a parent/guardian is interested in seeking services for his or her child then a referral should be completed with the school's **Family Advocate, Grace Barrera**.

Clinical staff can provide a wide array of services including:

- Individual therapy
- Family therapy
- Group therapy
- Social skills development
- Case management
- Crisis intervention
- Treatment for children and families affected by trauma

**For more information, please contact the Family Advocate Coordinator, Francis Jacobo, (213) 896-2640.**

### **Family Support Services**

PLN offers assistance to families navigating the County's complex support systems, community resources for children, Nurturing Parenting and child development education, financial education, and support in times of crisis.

Your school's Family Advocate provides support to students and families with on-site and in-home case management, parenting classes, support circles/groups, referrals to mental health services, concrete support, and linkages to community and county agencies. Their goal is to help children and families reach desired familial, educational and social goals while maintaining an adequate level of functioning.

### **Youth Workforce Services**

For families with older children, PLN prepares youth ages 14 to 21 for success in post-secondary education and the workforce through paid and unpaid work experience, career counseling, job placement, mentoring, case management and leadership development.

### **Parent and Community Engagement:**

PLN provides guidance and leadership training to parents who would like to take on deeper roles within the school community serving on our School Site Councils, English Language Advisory Committees and Local Control Accountability Plan Committees. In addition to these groups, there are opportunities to volunteer in our Parent Centers, classrooms, libraries, offices, and by recruiting community supports.

## What it means to be a Charter School

A charter school is a public school designed to meet a community's need for alternative educational programs. As publically funded schools, charter schools are held accountable for ensuring that students achieve the same standard of academic achievement as their peers in public, non-charter schools. Charter school students receive the same per pupil funding as public, non-charter schools. Any student residing in the state of California is eligible to attend PLN GPC. Charter schools do not charge students tuition and may not discriminate against any student on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

As a charter school participating in the LAUSD public school choice process, PLN GPC is responsible for the design and operation of the instructional program at a campus maintained by the district. Additionally, PLN GPC will be a residential school, prioritizing admission to students living within the attendance boundary set by LAUSD. Students residing outside the attendance boundary of PLN GPC will be accepted only after we have fulfilled our obligation to residents living within our school boundaries.

## Transitional Kindergarten

PLN GPC offers eligible students the opportunity to enroll in Transitional Kindergarten (TK). This class is meant to support students who are developing school readiness skills because of age, maturity, or because this is their first time attending school. TK students benefit from a modified Kindergarten curriculum designed specifically for the developmental needs of this class and

a shorter school day. Students who enroll in TK are typically recommended to enroll in a traditional Kindergarten class in the following school year extending their tenure at GPC to 3 years, but students may be recommended for First Grade at the end of the TK year. For more information about TK, please contact the front office.

## FAQ

### What is Transitional Kindergarten (TK)?

TK is the first year of a two-year kindergarten program that uses a modified kindergarten curriculum that is age and developmentally appropriate. Enrollment in TK is not required before attending kindergarten.

### What is the age eligibility for TK?

A child is eligible for TK if they have their fifth birthday between September 2 and December 2 (inclusive).

### Must children attend TK or kindergarten?

No. School is mandatory for six-year-olds. Parents and guardians must enroll their children in school once they reach the age of six. Whether a six-year-old student will be enrolled in kindergarten or first grade at that time is at the discretion of the school and the parents. For first grade enrollment, California law requires a child to be six years old on or before September 1 to be legally eligible for first grade.

***School Entrance Ages for School Year 2014-15 and thereafter***

Grade Level	Entrance Date as of September 1 <sup>st</sup>	Birth Date on or Before
TK	5 years	Between December 2 – September 2
K	5 years	September 1
1 <sup>st</sup>	6 years	September 1

## Special Education

At PLN GPC, we support the learning of all of our students. We follow all federal and state mandates and Los Angeles Unified School District policies and guidelines on the education of students with special needs and medical conditions.

### **Section 504**

Section 504 of the Rehabilitation Act of 1973 (Section 504) is a federal civil rights law that prohibits discrimination against individuals with disabilities in programs and activities that receive financial assistance from the U.S. Department of Education. Discrimination/harassment in any form toward individuals on the basis of their actual or perceived disability is unacceptable and will not be tolerated. The District will promptly investigate all complaints of disability-based discrimination/harassment and take reasonable actions to stop future incidents of discrimination/harassment. Section 504 also requires that students with disabilities be provided a free and appropriate public education (FAPE). For students who are not eligible for special education services, but meet the federal definition of disabled under Section 504, a Section 504 Plan is developed which indicates the accommodations, supplementary aids and/or services that will be provided to assist the student in accessing the general education program. Parents or guardians must be notified in writing of any District decisions regarding the identification, evaluation, and/or educational placement of students and their right to participate in, and/or appeal these decisions under Section 504. For further information about Section 504 and/or assistance in filing an appeal or complaint regarding Section 504, contact the Educational Equity Compliance Office at (213) 241-7682.

### **Special Education Services**

Children learn in a variety of ways, with most students learning effectively in a traditional school setting. However, sometimes children with disabilities and learning differences need services beyond accommodations and modifications to the general education program. Children with disabilities may be eligible to receive special education services as determined by an Individualized Education Program (IEP) team, which includes the student's parent. Special education services are designed to meet the unique educational needs of students with disabilities and are provided at no cost to parents. To the maximum extent appropriate, students with disabilities must be educated with their non-disabled peers in the general education environment at school. Parents of school age children who suspect their child may have a disability who may need special education should contact the school's principal. Further information concerning special education programs and services is provided in the District's publication, *A Parent's Guide to Special Education Services (Including Procedural Rights and Safeguards)* which is

available at GPC and on the Division of Special Education website: <http://sped.lausd.net/>. Assistance related to special education issues is available from the school's principal.

- Home address (provide proof of address)
- Home, cell, work telephone numbers
- Doctor's phone number
- People who are authorized to be contacted in case of an emergency
- Telephone numbers of people to be contacted in case of an emergency
- People authorized to pick up your child from school

### School Calendar

The school calendar is attached at the end of this handbook and a copy is also sent out to all families at the beginning of the school year. The calendar includes 180 instructional days. Please take time to review the holidays, pupil free days and early dismissal days.

## Attendance

Regular and punctual attendance is important for student achievement. Absences and late arrivals should be limited to verified reasons such as those listed below. When an absence or tardy occurs, please send a note with your child upon their return and include any documentation you may have of medical, dental, or court appointments that may deem the absence or tardy excused. A copy of the complete PLN Attendance Policy is available upon request.

- Excused absences – absences shall be excused if they are due to the following reasons:
  - Student illness
  - Quarantine under the direction of a county or city health officer
  - Medical/dental appointment (we recommend that appointments be made after-school or on the weekends)
  - Attending the funeral of an immediate family member (e.g., mother, father, grandmother, grandfather, brother, sister, or any relative living in the immediate household of the student – one day within the state, three days outside the state)
  - Attendance of a naturalization ceremony
  - Justifiable personal reasons when the pupil's absence has been requested in writing by the parent and approved by the principal such as:
    - Mental Health Day Treatment
    - Appearance in court
    - Observance of a religious holiday or ceremony
    - Attendance at a religious retreat shall not exceed 4 hours per semester
    - Work in the entertainment industry for a period of not more than 5 consecutive days and for a maximum of 5 absences per school year.
    - Participation with a not-for-profit performing arts organization in a performance for a public school pupil audience for a maximum of up to 5 days per school year.

### **Method for Verification of Absence**

When students have been absent from school, they must present a satisfactory explanation verifying the reason for absence. The following methods may be used to verify student absences:

1. Signed, written note from parent/guardian
2. Verbal conversation in person or by telephone between the parent/guardian and verifying employee
3. Visit to the student's home
4. Healthcare provider verification (doctor note)
  - a. A healthcare provider's note of illness will be accepted for any reported absences. When a student has had 8 absences in the school year for illness verified by methods #1-3 above without a healthcare providers note, any further absences must be verified by a healthcare provider.

A doctor/medical note is also required when a student has been out ill for more than 3 days. Under no circumstances may school officials require that a health-care provider's verification be submitted for re-admittance to class, unless the student has a serious medical condition or a contagious disease.

Parents/guardians have 10 school days from the first day of absence to justify the absence. After 10 days, the absence will be deemed as unexcused and attendance records will not be updated absent extraordinary circumstances.

If a student misses 10 consecutive school days without communication from the parent/guardian then the school will assume that the student has been voluntarily withdrawn. A notice will be sent home after-school administration has attempted to contact the family in several ways including but not limited to: phone calls, mail and at least one home visit.

### **Late Arrival**

Any student arriving at school after 8:00 am will sign in on the late arrival log in the main office and must go directly to class. Given the importance of being at school on time, every day, if a student arrives late, parents will be notified immediately and warnings will be issued if this becomes a recurring situation. Multiple late arrivals will result in the issuance of a Truancy Notification and a meeting with parents will be held to address the situation. If additional action is warranted, the student may be referred to the Student Attendance Review Board. Excessive tardiness can compromise your child's academic achievement.

### **Unexcused Absences/Truancy**

Any absence for reasons other than those mentioned above will not be excused such as:

- Running errands
- Vacation or trips
- Family emergency
- Transportation problems
- Inclement weather

Students shall be classified as **truant** if the student is absent from school without a valid excuse three full days in one school year, or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the school administration or the superintendent of schools and may be referred to the Student Attendance Review Team (SART).

In addition, students shall be classified as **chronically truant** if the student is absent from school without valid excuse for 10 percent (18 days) or more of the schools days in one school, from the date of enrollment to current date.

## **Truancy Process**

Each of the first two (2) unexcused absences will result in a call home to the parent/guardian.

1. Each additional unexcused absence will result in a call home to the parent/guardian. In addition, upon reaching three (3) unexcused absences and/or unexcused tardies over 30 minutes in a school year, the parent/guardian will receive an "Initial Notification of Truancy" letter from the School classifying the student as **truant**. This letter must be signed by the parent/guardian and returned to the School. This letter, and all subsequent letter(s) sent home, shall be sent by Certified Mail, return receipt requested, or some other form of mail that can be tracked.

2. Upon reaching six (6) unexcused absences and/or unexcused tardies over 30 minutes, the parent/guardian will receive the "Second Notification of Truancy" letter with an invitation for both the parent and student to attend a mandatory attendance workshop. At the workshop, concerns regarding the student's attendance will be discussed in addition to reviewing possible interventions and supports and best practices for improving attendance. The workshop facilitator can assist families who require or request additional assistance after the workshop.
3. Upon reaching a combined total of nine (9) unexcused absences and/or unexcused tardies over 30 minutes, the student will be classified as **habitual truant**. The parent/guardian will receive the "Third Notification of Truancy" letter and will be referred to the School Attendance Review Team (SART). The SART panel may be composed of the school's administrator, social/mental health services, Family Advocate, school police officer, community agency representatives, and a referring school site representative. The SART panel will discuss the absence problem with the parent/guardian to work on solutions, develop strategies, discuss appropriate support services for the student and his/her family, and establish a plan to resolve the attendance issue.
  - a. The SART panel shall direct the parent/guardian that no further unexcused absences or tardies will be tolerated.
  - b. The parent shall be required to sign a contract formalizing the agreement by the parents to improve the child's attendance or face additional administrative action. The contract will identify the corrective actions required in the future, and indicate that the SART panel shall have the authority to order one or more of the following consequences for non-compliance with the terms of the contract:
    - I. Parent/guardian to attend school with the child for one day;
    - II. Student retention;
    - III. After-school detention program;
    - IV. Required school counseling;
    - V. Loss of field trip privileges;
    - VI. Loss of school event privileges;
    - VII. Required remediation plan as set by the SART; and
    - VIII. Possible notification to the District Attorney.
  - c. The SART panel may discuss other school placement options.
  - d. Notice of action recommended by the SART will be provided in writing to the parent/guardian.
4. Follow-up meetings: The Family Advocate will conduct two follow up meetings with the student and parent, following the initial SART meeting, at 4-6 week intervals.
5. Home Visits: If the conditions of the SART contract are not met, the student may incur additional administrative action. Additionally, two members of the SART panel may conduct a home visit to further explore, identify, and troubleshoot any issues that may be contributing to your child's poor attendance.
6. For all communications set forth in this process, the Charter School will use the contact information provided by the parent/guardian in the registration packet. It is the parent's or guardian's responsibility to update the Charter School with any new contact information.
7. If, after the above procedures have been followed, the student continues to have unexcused absences, the parent/guardian may receive notice that the student is in violation of the SART contract. The student will then be required to appear before the SART panel again to discuss the unexcused absences or tardies. After such meeting, or after reasonable attempts by the SART panel to schedule the meeting if the parent/guardian is nonresponsive, the SART panel may recommend additional administrative actions including, but not limited to, parent attendance at school, retention, detention, counseling, loss of privileges, remediation plan, and/or notice to the District Attorney. The parent will receive written notice of the SART panel's recommendation.

## Referral to Appropriate Agencies or County District Attorney

It is the charter school's intent to identify and remove all barriers to the student's success; therefore, the school will explore every possible option to address student attendance issues with the family. For any unexcused absence, the charter school may refer the family to appropriate school-based and/or social service agencies.

If a child's attendance does not improve after a SART contract has been executed according to the procedures above, or if the parents fail to attend a required SART meeting, the Charter School may notify the District's Attorney's office, which then may refer the matter for prosecution through the court system. Students 12 years of age and older may be referred to the juvenile court for adjudication.

These policies will be enforced fairly, uniformly, and consistently without regard to the characteristics listed in Education Code Section 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code or association with an individual who has any of the aforementioned characteristics).

## Arrival at School

Students may arrive on campus at 7:40 a.m. and have breakfast in the lunch area until 8:00 a.m. when classroom teachers come to greet classes in the lower courtyard. Classroom teachers will walk classes into the classrooms at 8:00 a.m.

At the Kindergarten and First Grade levels, students often have a difficult time saying goodbye to their parents. Most students will adjust to being at school after the first few weeks, and even students who are upset in the morning will often be happily participating in class after a short time. We recommend preparing your students for the day by talking to them about what they are looking forward to, coming to school on time, and saying a quick good-bye once your child is in the care of an adult on campus.

Parents may load and unload students on the Hartford Ave by driving up to the curb where a volunteer will open the car door to assist students. Please do not double park and observe all signage in order to avoid getting a ticket [and in worse cases, an accident]. **Parking in the school parking lot is reserved for staff only.**

## Dismissal from School

Any student not enrolled in the after-school program will be escorted directly to the lower courtyard pick up area upon being dismissed from class. **Parents must pick up their child no later than 15 minutes after-school is dismissed.** No child will be allowed to leave the school by themselves. Only adults (over the age of 18) listed on a student's emergency card will be allowed to pick up students. Parents should call the front office to inform staff of their late arrival. Parents must arrive on time barring an emergency situation.

If there are repeated incidence of late pick-up, the school administration will require a meeting with a student's parents to address the situation. If late pick-up continues and is unaddressed, appropriate authorities (i.e., Child Protective Services, etc.) may be notified for assistance.

## Permission to Leave During the School Day

Only adults (over the age of 18) listed on a student's emergency card will be allowed to pick up students. The person picking up the student must present a proper form of identification. If a person not listed on the emergency card attempts to pick up the student, the office staff will contact the parent/guardian from the office phone using only the phone numbers listed for them on the emergency card to confirm the authorization. It is the responsibility of the parent/guardian to update the emergency card whenever there is a change to phone numbers, addresses, and names of the people that are authorized to pick up the student. Parents who need their child to be released from school on their own prior to regularly scheduled dismissal time must provide written permission or come in person to the front office to inform the office staff. Students will not be released from campus at any time during the regular school day, including during the lunch period, without express written permission from or in the presence of a parent/guardian. If a written notice is received, the parent/guardian will be called to verify the request prior to releasing the student. Only the phone numbers listed on the Emergency Card will be used to contact the parent/guardian.

## Contacting a Student during the School Day

Parents needing to contact their child during the course of the school day should call the front office. Every effort will be made to get your message to your child.

## After-School Program

## Valuables

The use of electronic devices or other personal items by students is prohibited during normal school hours. The school is not responsible for valuables brought from home. Please regularly check your child’s tote for items not allowed in school. The following items are not allowed in school as they often become a distraction during school hours:

- Tablets, MP3 players, iPods, other music devices and/or cameras
- Cell phones
  - Although we realize that students may carry a cell phone for emergency purposes, cell phone use is not allowed during school hours, including during recess and lunch periods. We discourage the display and use of cell phones during school time.
- Handheld gaming devices

- Toys including but not limited to all balls, action figures, playing/trading cards, plush toys, dolls, costumes, skate boards, finger boards, elastic bands, board games etc.

If such a device or item is observed or heard by school staff, it may be confiscated and the student's parent will need to pick it up from the office. Photographing, videotaping or otherwise recording individuals without their permission is strictly prohibited.

**\*If an item is confiscated, PLN staff is not responsible for the item if it is lost or stolen while in the staff member's possession.**

## PLN GPC School Uniforms

PLN GPC is a proud community of learners. One element in developing our community identity is our school uniform. Students are required to wear a uniform at school during school hours.

### Our top reasons for asking our students to wear uniforms are:

1. There are many other schools in the area where our schools are located. For safety reasons, we want to be able to identify our students at a glance.
2. The clothing we wear indicates our purpose. When we go to the beach, we wear swimming suits. When we go to a wedding, we put on our best clothes. At PLN GPC, we dress for learning.
3. School uniforms put the focus on learning, not fashion. Uniforms also reduce bullying and teasing. ***Please support our mission by taking our uniform seriously and wearing it with pride.***

### Description of the Uniform Policy:

- Uniform items should be no larger/smaller than one size of the student's clothing size
- The PLN GPC uniform is:
  - Navy blue polo shirt
  - Khaki bottoms – pants, shorts, skirts, skorts or jumpers (bottoms must be of appropriate length, no more than 3 inches above the knee)
- No baseball caps, or hats of any kind.
- Only closed-toe footwear with flat rubber soles – no strappy shoes of any kind.
- Any attire that may be a distraction will be confiscated. Distracting attire includes but is not limited to accessories such as belts not in the belt loops, extra clothing pieces, and excessive or large pieces of jewelry. School site personnel retains the discretion to decide what is considered distracting attire.
- Out of uniform consequences are:
  - 1<sup>st</sup> offense – Verbal warning
  - 2<sup>nd</sup> offense – Parent phone call
  - 3<sup>rd</sup> offense – Parent meeting
  - Continued offenses – may result in other consequences

### Frequently Asked Questions

***What outerwear is acceptable?***

The PLN GPC uniform only includes the navy blue polo shirt and the khaki bottoms. PLN does not require official outerwear, but we ask that outerwear be either solid blue, black or grey, NO LOGOS, CHARACTERS, DESIGNS, or HOODIES.

***Does the polo shirt have to bear the PLN logo?***

No. Polo shirts without the PLN logo are acceptable as long as they are in navy blue.

***Does PLN work with a vendor that sells clothing that meets the uniform requirements?***

Please contact the school office for current vendor information. The school will also schedule uniform sale days throughout the school year and inform families of the events in anticipation.

***What if I can't afford a uniform?***

If you cannot afford a PLN uniform for your child, please talk to the school's office manager or family advocate.

***If my child does not wear the uniform, can he or she still attend school?***

Out of uniform students will not be denied admission on campus, participation in school, educational activities, nor denied continued enrollment in school. However, the consequences listed above are in place to encourage students to cooperate with uniform requirements.

Students who arrive to school out of uniform will be provided a uniform to borrow for the day. The uniform must be returned at the end of the school day.

## **Free Dress Days**

The Principal authorizes any free dress days that may reflect a particular holiday and/or theme; however, school rules will be enforced and the following guidelines must be followed:

1. Dress must be appropriate for school; it may not be revealing or promote use of substances, profanity, or violence.
2. Closed-toe footwear must be worn. Heels and sandals are prohibited.
3. Hats/caps and masks are prohibited.

If you are unsure about whether the dress is appropriate, please ask the office staff or refrain from wearing it to school.

\*Reasons for earning free dress privileges include:

1. Selection of free dress as a result of earning a Golden Ticket
2. School spirit day (Fridays students may wear GPC t-shirt)
3. School celebrations (e.g., Dr. Seuss Day, Winter Break's PJ day, etc.)

## Spirit Shirt Days

All Eaglets are encouraged to wear their school spirit shirt on designated days. Students may wear the school spirit shirt with their regular uniform bottoms, even if they have not earned Free Dress.

## Visiting Campus

In order to preserve the safety of our students and staff, we require that all visitors go directly to the main office. Upon arrival, visitors must state their reason for the visit, provide the appropriate identification (if applicable), sign in, and obtain a visitor's badge if they will proceed to be onto campus. Reasons to be on campus include:

- Observing child's classroom
  - Parents may only observe their child's classroom
  - **Visit is limited to 20 minutes with prior approval**
  - Visitors are asked not to interact with their child, any other student, or the teacher/staff

# Family Education Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1)).
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34.
- To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible

student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5)). To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.
- To accrediting organizations to carry out their accrediting functions.
- To parents of an eligible student if the student is a dependent for IRS tax purposes.
- To comply with a judicial order or lawfully issued subpoena.
- To appropriate officials in connection with a health or safety emergency, subject to §99.36.
- Information the school has designated as "directory information" under §99.37.

Parents have the right to file a complaint with the U.S. Department of Education concerning alleged failures by PLN GPC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW Washington, DC 20202

"Directory information" is information that is generally not considered harmful or an invasion of privacy if released. Directory information can be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. PLN GPC has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports

# General Discipline Policy

A complete copy of the Discipline Policy is available upon request and appears as Element 10 in the Charter Petition.

## Grounds for Suspension and Expulsion

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring at any time including but not limited to:

- While on school grounds.
- While going to or coming from school.
- During the lunch period, whether on or off the campus.
- During, or while going to, or coming from, a school sponsored event/field trips.

Every effort will be made to avoid out-of-school suspension and expulsion, when possible. In-school suspension is preferred, due to lack of parental supervision during the school day and the anticipated at-risk nature of many PLN GPC Center students. While the goal of PLN GPC's discipline procedures is to avoid out-of-school suspension and expulsion when possible, rules and procedures for suspension and expulsion are consistent with state and federal law, where applicable.

PLN GPC counselors, teachers or administrators will recommend Para Los Niños Clinical Services and Para Los Niños Family Services to provide support for children and their families, in addition to suspension.

### **Process for Suspension and/or Expulsion**

The principal shall determine whether to suspend the student from school, or to allow the student to remain on campus during the term of the classroom suspension. Students serving classroom suspensions must remain on campus under appropriate supervision. If such a suspension occurs, the principal shall, as soon as possible, ask the parent to attend a parent conference, at which the school administrator and Family Services personnel and /or Clinical Services personnel may also be present. If the student has committed an obscene act, engaged in habitual profanity or vulgarity, or has disrupted school activities, the teacher may require that the parent/guardian attend a portion of the school day in his or her child's classroom.

To protect student rights, we have established fair and thorough procedures to ensure a comprehensive and consistent process for suspension and expulsion including clear guidelines for due process. As noted above, the Principal is authorized to suspend students.

A student may be suspended for no longer than five consecutive school days, but may be suspended for fewer. A student may be suspended for no more than 20 days in a school year.

## **Prohibition against Firearms, Weapons, and Other Dangerous Objects**

PLN GPC Center maintains a Zero Tolerance Policy for any type of dangerous object. Therefore, school administrators will take immediate appropriate action against any student found in possession of a dangerous object. Dangerous objects include, but are not limited to, knives (including Swiss Army-style knives, X-acto knives, utility knives), razor blades, martial arts combat equipment, clubs, brass knuckles, explosives, and any type of firearm or BB/Pellet gun (including replica guns). Any student who inadvertently brings an object onto campus that is prohibited should turn it in to a teacher or administrator immediately; doing so will in most cases avoid disciplinary consequences. Pursuant to the Federal Gun-Free Schools Act, and in accordance with California law, any student found in possession of a firearm shall be recommended for expulsion. Possession includes, but is not limited to, on a student's person, in a student's lockers, in a pocket of a jacket not being currently worn, or kept in purses, backpacks, totes or automobiles. Students expelled for gun possession shall be expelled for the term of one calendar year.

Para Los Niños is committed to providing a safe and civil learning and working environment that is free of unlawful harassment under Title IX (sex), Title VI (race, color, or national origin), and Section 504 and Title II of the ADA. The School prohibits sexual harassment and harassment based upon pregnancy, childbirth or related medical conditions, race, re race, religion, creed, color, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. The School does not condone or tolerate harassment of any type, including bullying, discrimination, or intimidation, by any employee, independent contractor or other person with which the Charter School does business, or any other individual, student, or volunteer. Intimidation, bullying, cyber-bullying, and/or hazing toward any member of the school community, whether by or against any student, staff, or other third parties, is strictly prohibited and will not be tolerated.

The Para Los Niños bullying and hazing policy, written in accordance with Federal, State and California Education Code, requires that all schools and all personnel promote mutual respect, tolerance, and acceptance among students and staff. All students and staff have the inalienable right to attend campuses which are safe, secure and peaceful [Article 1, Section 28(c) of the California State Constitution]. The School Administration and Charter School Board will not tolerate any gestures, comments, threats, or actions which (i) cause, or threaten to cause, or an objective and reasoned third-party would determine was intended to cause, bodily harm or personal degradation, or (ii) creates, or an objective and reasoned third-party would determine was intended to create, an intimidating, threatening, or abusive environment for any student, staff member, member of the administration, parent or guardian, or other third-party.

This policy applies to all school-related activities and/or engagements, including, but not limited to classroom activities, recess or lunch activities, participation in clubs and activities, email messages, text messages, discussions, telephonic communications, or online forums related to school activities, field trips, open houses, school performances, school athletic competitions, and any other in-person school-related activities on school property. This policy also applies to those activities or engagements which occur off school property if the student or employee is at any school-sponsored, school-approved, or school-related activity or function, such as field trips or events where students are under the school's control, in a school vehicle, where an employee is engaged in school business, or where the prohibited behavior is facilitated through the use of any school property or resources. Bullying is the deliberate antagonistic action or creation of a situation with the intent of inflicting emotional, physical, or psychological distress. The behavior may be a single or repeated act and may be electronic, indirect, non-verbal, psychological, sexual, social, physical or verbal.

Cyber-bullying is bullying (see above) conducted via electronic communication technology (e.g., texts, e-mails, blogs, and postings). A person who engages in cyber-bullying at school or school-related activities and events is subject to disciplinary action even if the bullying occurred on a personal electronic device. Cyber-bullying that occurs off-campus but impacts the educational environment or compromises the safety of the school may fall under Para Los Niños's jurisdiction.

Hazing is any method of initiation, pre-initiation, or rite of passage associated with actual or desired membership in a student organization or student body, whether or not it is officially recognized by the educational institution.

Parents and students are encouraged to immediately report any acts of bullying or cyber-bullying to the school and to work with their local school site administration to address any problems or concerns.

## **Uniform Complaint Procedures (UCP)**

Para Los Niños has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. Para Los Niños shall investigate complaints alleging failure to comply with those laws and regulations alleging discrimination, harassment, intimidation, or bullying against any protected group, as well as unauthorized charging of pupil fees for educational activities. Para Los Niños shall seek to resolve, at the local level, those complaints using policies and procedures known as the Uniform Complaint Procedures (UCP) adopted by our governing board.

Unlawful discrimination, harassment, intimidation, or bullying complaints may be based on actual or perceived sex, sexual orientation, gender, gender identity, gender expression, race or ethnicity, ethnic group identification, ancestry, nationality, national origin, religion, color, mental or physical disability, age, or on the basis of a person's association with a person or group with one or more of these actual or perceived categories, in any program or activity that receives or benefits from state financial assistance.

Complaints alleging discrimination, harassment, intimidation or bullying must be filed within six (6) months from the date the alleged act occurred or the date the complainant first obtained knowledge of the facts of the alleged act, unless the time for filing is extended by the Compliance Officer or his or her designee.

The UCP shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in:

- Adult Education
- After-School Education and Safety
- Child Care and Development Programs including state preschool
- Consolidated Categorical Programs
- Discrimination, Harassment, Intimidation, and Bullying
- Foster and Homeless Youth
- Nutrition Services - USDA Civil Rights
- School Facilities
- Special Education
- Lactating Pupils
- Unlawful Pupil Fees

A pupil shall not be required to pay a pupil fee for participation in an educational activity, unless the charge for such a fee is specifically authorized by law and does not violate Education Code Section 49011.

A pupil fee includes, but is not limited to, all of the following:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
3. A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

A complaint of noncompliance should be filed first with the principal of the school under the UCP. A complainant not satisfied with the decision of the school may appeal the decision to Para Los Niños's UCP Coordinator and shall receive a written appeal decision within 60 days of receipt of the school site complaint. Complaints related to pupil fees for participation in educational activities may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with the requirements of Education Code sections 49010 et seq.

The complainant has a right to appeal our Decision of complaints regarding specific programs, pupil fees and the LCAP to the California Department of Education (CDE) by filing a written appeal within 15 days of receiving our Decision.

The appeal must be accompanied by a copy of the originally-filed complaint and a copy of our Decision.

The complainant is advised of civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable.

## Health and Safety

The health and well-being of all members of our school community are of central importance. The following policies are intended to support the ongoing success of all who attend, visit, or work at our school. For a more detailed description of PLN GPC safety procedures please see the complete PLN GPC Safety Plan, which is available upon request in the main office and online at [www.paralosninos.org](http://www.paralosninos.org).

### **Internet Use and Safety**

Our students live and will work in a world fully integrated with technology. We believe that students need opportunities to learn how to use these powerful tools responsibly and as a means to achieve their academic and personal goals. We are fortunate to have all of our computers directly linked to the internet. By turning a computer on, students can access information for learning from all over the world.

All students with internet access at PLN GPC are trained in internet use, including safety and ethics issues, *prior* to being allowed access to PLN GPC computers. The PLN GPC staff will have annual staff development around the changing nature of the internet as a powerful teaching and learning tool as well as its potential hazards.

### **Immunizations**

All new students enrolling at PLN GPC must present an up-to-date immunization record. There is no grace period for immunizations. Students who do not meet the State guidelines for immunizations must be excluded from the school until the requirements are met with the exception of students with a valid medical waiver that meets state requirements, homeless students or student's part of the foster care system. The federal McKinney-Vento Homeless Assistance Act requires schools to enroll new students who are homeless even if their immunization records are missing or unavailable at the time of enrollment. California law requires schools to immediately enroll foster children transferring to their school even if a foster child is unable to produce immunization records normally required for school entry. Once a homeless student or a foster child is enrolled, school staff should work with the foster family or school where the student was transferred from to obtain the student's immunization records quickly as possible. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of the School.

### **Injuries, Communicable Diseases, and Medical Conditions**

Children who arrive to school ill or with an injury are subject to be examined by the office staff or school nurse when on site. Children, who are injured or become ill during school hours are sent to the health office for first aid. The office staff or nurse (when on site) can only administer soap, water, ice and bandages for injuries or illnesses. If an injury or illness is deemed to be serious and/or endangering to student's health and well-being, parents will be called to pick up the child within one (1) hour as these conditions may require to be monitored by a parent and/or physician. Such situations include:

- vomiting
- open wounds
- contusions
- diarrhea
- acute coughing or sneezing
- extreme muscle pain or nose bleeding
- redness in eye(s)
- fever of 100° F or higher.

If a child is sent home due to a high fever, diarrhea or vomiting, he/she may not return to school until 24 hours have passed without the condition.

PLN GPC will call 911 if school staff determines medical attention is required.

### **For illnesses and injuries**

If a student sustains an injury that requires stitches, a cast, crutches, leg brace, or neck brace a medical/doctor note stating that the student is cleared to return to school will be required. This note should state any restrictions that the student may have (e.g., unable to use stairs, participate in physical education activity, etc.) and the student may only return on the date stated on the medical note. A student attending school in a wheelchair must inform the school office and/or school nurse prior to returning to

school so proper accommodations can be made. Home remedies or cultural specialists (e.g., “sobador”) are not an acceptable form of treatment/clearance.

If your child has a known pre-existing medical condition (e.g., allergies, asthma, diabetes, seizure disorder, etc.), please notify the office immediately. Notify the office if there are any special instructions or procedures for the care of your child if a problem should arise. Children with short-term health problems that prevent them from attending school should make arrangements with the school for a temporary plan to continue the student’s education while at home.

If your child contracts any of the following diseases, please notify the school immediately. We will also notify you of any communicable diseases that your child may have been exposed.

#### **Symptoms of Some Communicable Diseases (according to the Centers for Disease Control and Prevention, 2016)**

<b>Disease</b>	<b>Symptoms</b>	<b>Incubation Period</b>
•Chicken pox	Mild fever, small raised pimples	14-16 days
•Measles	Fever, cough, rash, red eyes	10-12 days
•Rubella	Fever, rash	12-23 days
•Mumps	Fever, neck swelling below ears	16-18 days
•Polio	Fever, sore throat, rash	3-6 days
•Scarlet Fever	Fever, sore throat, rash	24-48 hours
•Scabies	Itching of skin, rash	1-2 months
•Bacterial Meningitis	Fever, headache, vomiting, stiff neck	1-4 days

Students may be excluded for head lice at the end of the school day, but readmitted after appropriate treatment is instituted. The presence of nits alone (after treatment) is not an absolute indication for exclusion and children should not be absent from school for extended periods of time due to this treatable condition. An alert will be sent home to notify other parents about the finding and PLN staff will not disclose the source.

#### **Oral Health Assessment**

Any pupil, while enrolled in kindergarten in a public school or while enrolled in first grade if the pupil was not previously enrolled in kindergarten, unless excused, must present proof no later than May 31 of the school year of having received an oral assessment by a licensed dentist or other licensed or registered dental health professional. The assessment must be performed no earlier than 12 months prior to initial enrollment of the pupil.

#### **Mandated Health Screenings: Hearing, Scoliosis and Vision Examinations**

Students will receive hearing, scoliosis and vision screenings as mandated by California State Law in grades kindergarten, 2nd, 5th and 8th.

## **Medications**

If a student requires medication during school hours, a parent or guardian must have the student’s doctor complete a “Request for Medication to be taken during School Hours” form that can be obtained in the school office. School staff will only administer medicine when this form has been completed and if the medicine has been prescribed by a physician and has a prescription label with matching directions and batch information on the bottle.

Students who need to keep medicine on campus in case of an emergency will need a doctor’s note and the “Request for Medication to be taken during School Hours.” All medication is kept in the health office and is inaccessible to children at all times. These requests can be renewed by filling out a renewal form, UNLESS the type of medication or dosage has changed.

## **Overall Welfare**

Para Los Niños takes all possible precautions for safeguarding children and youth in our care against bodily harm, illness, injury or any other form of maltreatment. In all suspected cases of child abuse, Para Los Niños and its employees are **mandated** by the State of California and agency policy to file a report with the proper authorities.

## **Food Service**

AT PLN GPC, we recognize the critical connection between a healthy mind and a healthy body. We are proud to offer our students food meticulously planned and produced by our partners at *Better 4 You* . Delicious meals that meet recommended

nutritional guidelines are provided to students by Para Los Niños. Students with specific dietary requirements including food allergies or other food restrictions should notify the front office and request a "Medical Statement to Request Special Meals and/or Accommodations" form to be filled out by the student's medical physician.

Breakfast: served from 7:40 a.m. – 8:00 a.m.

Lunch: served from 11:30 a.m. – 1:00 p.m.

Meals may only be consumed by students currently attending PLN GPC. Food not consumed by the student may not be taken out of the lunch area. Per health and safety regulations, Para Los Ninos kitchen staff will dispose of all uneaten items. The funding PLN receives for student meals is contingent on our adherence to relevant policies, thus we must be very careful to follow these rules.

**Students may bring snack from home but snack is limited to fresh vegetables, fruits and water or any item listed from the state of California as a 'healthy item' as stated in the PLN Wellness Policy. Any other food may be confiscated from the child.**

## Parent Engagement

We recognize that our parents are both committed to the well-being of their children and stretched for available time. We recognize that parent participation may look different for every family, and we encourage all parents and guardians to be active participants in their child's education. We expect at least one parent or guardian to be present 3 times a year at student/parent/teacher conferences. Beyond that, whether you are supporting academic success at home and/or if you are a regular face on our campus, we commend you for your commitment to your child's future.

### Homework

The purpose of homework is to provide students practice with skills being learned, to extend learning, and to provide parents an opportunity to see their children's work. In addition, homework helps children to learn responsibility and time management. Parents can support their child in completing homework in two ways. First, parents should help to identify a distraction free place and time in which homework is regularly completed. It is always helpful if a parent or other responsible adult is close by to ensure that this space truly remains distraction-free. Second, parents can check in nightly with their child about his or her homework progress. Parents can ask their child to show them completed work and talk about upcoming deadlines. It always helps to establish a routine regarding homework. Homework should not be an unpleasant experience. If this is the case, please be sure to talk with your child's teacher.

All PLN GPC students are expected to read for at least 30 minutes, 5 days a week. Additional assignments will be given on a regular basis by classroom teachers. If students are spending excessive time working on their homework and it is not completed, please contact the teacher.

### Committees

Parent engagement is an essential key to the teams that help make vital decisions that are critical to the performance and success of our school, therefore, we highly encourage parents to sign up to participate in the following committees:

#### **School Site Council (SSC)**

The school site council is an exciting committee that has direct impact on the way we spend a portion of our budget. The council is comprised of equal parts parents, teachers, and the school principal. If you are interested in helping us make decisions about the programs on which we spend our school's money, contact the school principal.

#### **English Learner Advisory Committee (ELAC)**

The ELAC committee is comprised of a minimum of 3-9 parents of English Learner (EL) students that are interested in learning about and advocating for the academic journey of their EL student. The ELAC works closely with the School Site Council by making recommendations based on data regarding curriculum, academic progress, and yearly academic goals. Committee members will also learn about the reclassification process and how they can support success in school.

### **Local Control Accountability Plan Committee (LCAP)**

The LCAP is a three year plan of accountability that is renewed annually. Each school district must create this accountability plan to assess the impact of funds from LCFF (Local Control Funding Formula). The LCAP committee is comprised of parents, teachers, school community members, and administrators. The committee meets to discuss progress on items included in the current LCAP and to assist school administrators in preparing next year's LCAP. Members of this committee learn how to plan strategically to support learning outcomes at their school and how these goals can be accomplished through measurable annual goals.

### **Workshops/Parenting Classes**

PLN is committed to providing our parents with opportunities for development. Whether it be personal development or ways to help your child succeed, we are more than happy to work with outside partners to provide workshops, classes, and health care support that will provide you the opportunity to grow as a family and as an individual. In addition to workshops and classes provided by PLN, we have also partnered with the organizations such as the Parent Institute for Quality Education (PIQUE), Eisner Pediatrics for Dental Care, Vision to Learn, and UCLA's Parent Project who deliver high quality programs.

Our Family Advocates help with organizing these types of partners and events. You will be informed of these opportunities through flyers sent home and through our parent communication system, One Call. However, if you have any suggestions for classes or workshops that you feel will assist you in raising your child or developing yourself, please share your ideas by visiting/calling the office and speaking to the Family Advocate.

### **Volunteering**

Parents are always welcome to volunteer. What's more, we encourage you to share your skills and talents by participating in school events, special occasions, and classroom projects. Please visit the school office to inquire about volunteer opportunities and obtain a copy of the Volunteer Handbook for detailed information regarding the volunteer policy and procedures and forms required to volunteer.

### **Five Ways You Can Make a Difference**

As a parent, you are your child's first teacher. Even while your child is in school, you still teach important lessons every day. Research shows that when parents and schools work together, students do better. Here are some suggestions from the Parent Institute on ways you can make a difference in your child's education. They don't cost money. They don't require training. All they need is you.

1. Read to your child every day. Long after children learn to read for themselves, they love this special time with you. Kids who are read to are the kids who want to read on their own.
2. Join your school's parent organization. When parents and schools work together schools improve.
3. Volunteer. The more help parents give teachers, the more time teachers can spend with students. Work full-time? There are still ways to help. Ask your child's teacher what you can do.
4. Let your children know school is important. Ask about their homework. Attend school events. Talk about how you use what you learned in school in your daily life.
5. Recognize your child's special gifts. Each child has special talents. Perhaps the most important thing you can do is help your child see how he or she is special. That boosts confidence and sets the stage for learning.

**\*For more information, please obtain a copy of the Title I Parent Involvement Policy in the main office.**

## **Emergency Preparedness**

We recognize that despite our best efforts to create a campus that is safe and secure for our students, there are potential situations outside of our control which may require emergency procedures. While we hope that we will never encounter such a situation, we are fully prepared should we need to evacuate or lock-down our campus. PLN GPC is equipped with emergency supplies for a 72 hour period should students and staff be required to remain on campus. For a full description of PLN GPC emergency procedures please see the complete PLN GPC Safety Plan, which is available upon request in the main office and readily available online at [www.paralososninos.org](http://www.paralososninos.org).

### **Evacuation Plan**

All PLN GPC staff and students will be trained on the procedures for evacuating the school. An evacuation will occur when school administration or emergency service providers have determined that it is unsafe for people to occupy our buildings. Examples of situations in which evacuation will occur include fire or earthquake. Evacuations will be orderly and have as their first priority the safety of all *people* on our campus. Students and staff must leave behind all non-emergency items when evacuating campus.

In many situations, students will be able to safely return to campus following an emergency evacuation once the campus has been deemed safe for occupation. In the event that students cannot safely return to campus, parents will be notified via a phone tree that they must pick-up their child. Parents should not enter an evacuated building. Students will only be released from the designated pick-up point to an adult listed on their emergency release form with a photo i.d. To update or complete an emergency release form, please see the front office. **Please do not call the campus in the event of an emergency.** Office personnel will be evacuated and unable to answer phone lines.

### **Lock-Down Plan**

All PLN GPC staff and students will be trained on the procedures for locking-down the school. Lock-downs will be orderly and have as their first priority the safety of all *people* on our campus. A lock-down will occur when school administration or emergency service providers have determined that it is unsafe for people to be moving around our building. Examples of situations in which lock-downs will occur include the presence of strangers on campus or riots on or off campus.

In the event of a lock-down, all parents will be notified of procedures via a phone tree. **Please do not call the campus while the campus is on lock-down.** We will need access to all our phone lines and will need to focus our attention to resolving the circumstances that have led to the lock-down. Parents should not enter a building that is on lock-down as it will compromise their own safety and the safety of those on campus.

## **Home/School Communication**

It is very important that the communication between your home and the school is a continuous process. To stay informed of all meetings, events, and other important updates, please check your child's blue communication folder on Mondays and tote bag daily. A monthly calendar and weekly bulletin will be sent to you regularly, please keep them handy throughout the school year. We also strongly encourage you to opt-in to receive text messages and provide us with an email address so we may send you information regarding school updates, events, and other important communication. This can be done at the time of enrollment; however, if you did not opt-in at the time of enrollment or wish to update your contact information, please visit the school office.

Each student at GPC receives a blue communicator folder to carry papers from school to home. The folder has two sides: the left side contains papers that need to be returned to school and the right side contains papers that should be kept at home. Folders are sent home the first day of each school week, usually Mondays. Parents/Guardians must: (1) review the contents of the folder, (2) remove any papers that are to be kept at home, (3) complete and return any papers that need to be returned to school, and (4) sign the log kept in the outside back pocket for that week indicating that they received the contents. The folder is then returned the next school day with the student.

### **Tote Bags**

All GPC students were provided with both a tote bag and folder to carry authorized items including a water bottle labeled with the student's name and only items given to them by school staff. Each replacement tote/folder costs \$3 and can be purchased in the office.

### **One Call Now School Notification System**

We use One Call Now to personally communicate with families and staff, regarding emergency situations, school events and other important issues impacting you and your child. The One Call Now service allows us to send personalized voice messages to your home phone or cell phone, and contact you through email and via text messaging. Parents and guardians are responsible for the cost of text messages if selected as a means of communication. We are able to reach everyone in the school within minutes based on One Call Now capabilities, which improves school communication with families and staff. Keeping parents more informed and involved leads to higher student achievement and student safety. Please help us by ensuring we have your current contact information by providing all phone numbers in which you can be reached through voice and text and providing your email address. This can be done at time of enrollment and throughout the school year by visiting the office and updating your child's emergency form. **In order to receive text messages, you must opt-in for text by texting the word ALERT to 22300.** Please make sure that you are opting in with a phone number you provided on your child's emergency form. The number(s) you provide is where you are most likely to be reached during school hours. This number should be for the parent or legal guardian

### **Type of communication through One Call Now**

- **General notification** messages are sent during the early evening. These messages are non-emergency in nature and announce upcoming events or reminders.
- **Emergency notification** messages are of an urgent nature and are sent anytime during the day.
- **Teacher Messages** are sent to inform you of your child's academic standing, general behavior and work habits, and classroom reminders and notifications.
