

PARA LOS NIÑOS

WHY PARA LOS NIÑOS?

In Los Angeles, risk factors that hinder a child's success include:

Two or more of these risk factors markedly diminish a child's chances for success as he/she is more likely to experience:

Tragically, Para Los Niños' clients experience two or more of these risk factors. Yet, the combination of both direct and indirect services we provide to more than 1,100 students and their families each year are preventing them from becoming another statistic.

I, _____ want to help Para Los Niños in their efforts.

I want to make a tax deductible donation in the amount of \$ _____ to Para Los Niños.
