School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

This chart shows the total general purpose revenue Para Los Ninos Charter expects to receive in the coming year from all sources.

The total revenue projected for Para Los Ninos Charter is $6,540,266.00, of which $3,870,698.00 is Local Control Funding Formula (LCFF), $1,705,375.00 is other state funds, $164,241.00 is local funds, and $799,952.00 is federal funds. Of the $3,870,698.00 in LCFF Funds, $995,596.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).
The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

Para Los Ninos Charter plans to spend $6,540,266.00 for the 2019-20 school year. Of that amount, $420,000.00 is tied to actions/services in the LCAP and $6,120,266.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Certificated salaries and benefits, classified salaries and benefits, technology - district-wide network support lead staff, internet service, maintenance and operations costs, transportation costs, utilities, books and supplies, other services and operating costs (professional development contracts, equipment contract costs, maintenance, and repairs, auditor fees, legal costs, nursing service contracts, instructional program contracts, student information system, capital outlay, facilities and maintenance costs and maintenance), technology costs, approved textbooks and core curricula materials, books and other reference materials, materials and supplies, office supplies, non-capitalized equipment.

**Increased or Improved Services for High Needs Students in 2019-20**

In 2019-20, Para Los Ninos Charter is projecting it will receive $995,596.00 based on the enrollment of foster youth, English learner, and low-income students. In the LCAP, Para Los Ninos Charter plans to spend $30,000.00 on actions to meet this requirement. The additional improved services described in the LCAP include the following:

Each of the goals in the 2019-20 LCAP was developed and will be implemented with outcomes for all students in mind, including those of our high need students. Based on last year’s academic and school
This chart compares what Para Los Ninos Charter budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Para Los Ninos Charter estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, Para Los Ninos Charter's LCAP budgeted $995,596.00 for planned actions to increase or improve services for high needs students. Para Los Ninos Charter estimates that it will actually spend $45,269.00 for actions to increase or improve services for high needs students in 2018-19. The difference between the budgeted and actual expenditures of $950,327.00 had the following impact on Para Los Ninos Charter's ability to increase or improve services for high needs students:

- **Budgeted Expenditures:** $995,596.00
- **Actual Expenditures:** $45,269.00
