## School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019—20)

Our unique approach is effective because of the aspects of working together:

**Excellent Education:** Our schools and youth centers offer high-quality education and wraparound support to educate the whole child from 6-weeks to 24 years-of-age. Using an inquiry-based approach with social-emotional integration we nurture a child's healthy academic, physical, and social-emotional development to succeed in school, work, and life.

**Powerful Families:** We partner with parents and provide opportunities to strengthen their leadership, provide support in stress management and education, plus counseling and clinical support, to ensure students and families thrive.

**Strong Communities:** We are active in our communities to create spaces that connect children, youth, and families to education and resources to lead and succeed. We have strategic partnerships with agencies and community stakeholders across LA to build trust and together give voice to our diverse perspectives.

**Board Approved February 13, 2020**

## School Facility Conditions and Planned Improvements

Based on the FIT report our campus was awarded a 97.70% which gives the school a rating of Good. We have some water intrusion issues that have already been addressed. Another issue is the playground matting is warped due to drainage problems which makes the structure not usable. Overall the facility is in good repair with a number of non-critical issues.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students  
Grades Three through Eight and Grade Eleven  
Percentage of Students Meeting or Exceeding the State Standard**

Para Los Niños Gratts Primary Center students do not take the CAASPP exam as we services students in grades Transitional Kindergarten, Kindergarten, and 1st Grade.

Subject	School 2017—18	School 2018—19	District 2017—18	District 2018—19	State 2017—18	State 2018—19
English Language Arts / Literacy (grades 3-8 and 11)					50%	50%
Mathematics (grades 3-8 and 11)					38%	39%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019–20)

Parents have an opportunity to participate in our volunteer program where they may support and prepare for specific school functions. Parent volunteers support with preparing activities for the classrooms. Parents have various opportunities during the school year. On a monthly basis we hold Coffee with the Principal where parents can attend and hear important updates regarding our schoolwide events. We also have Learning with the Principal where we touch up on topics that help our parents understand throughly information that is given to them through out the school year. Parents are also invited to our ELAC and SSC meetings.

### State Priority: Pupil Engagement
