How to sign in to Outlook Web App for Office 365

This document has been created with the intent to quickly and easily show you how to sign it to Outlook Web App Office 365. The Outlook Web App (OWA) is the web-based email client for Office 365.

1. Open a supported web browser and go to www.paralosninos.org.

2. Scroll down to the bottom of the page and click on employee links.
3. In the employee links page, click on Email Login.

**EMPLOYEE LINKS**

These links are for the exclusive use of Para Los Niños employees:

- E-mail Login
- Paycom Login
- VPN Login
- PLN Employee Handbook 2017 (English)
- PLN Employee Handbook 2017 (Spanish)
- Equal Employment Opportunity Policy
- Maintenance Requests
- IT Support (Windows)
- IT Support (Mac)
- Relias Training
- Illuminate Education

4. In the Sign in field, enter your PLN **User Name** `username@paralosninos.org`, and then click **Next**.

5. In the password field, enter your PLN **password**, and then click **Sign in**.
6. The first time you login to Outlook Web App you need to choose the display language and home time zone. Please choose English and Time Zone (UTC-8:00) Pacific Time (US & Canada), and then click Save.

7. You have successfully signed in to your Para Los Niños Office 365 Web Outlook.
8. To view your Contacts or Calendar, at the top of the screen, click the App Launcher, and then clink on People or Calendar.

9. When you are finished using Web Outlook from a public computer, please ensure you have properly signed out of your office 365 account.
